

Wafer ball Valves with Heating Jacket (Screwed)

Flange ball valve, with jacket in Stainless Steel or Carbon Steel, full bore, sizes DN 15 to DN 200.

- Suitable for Carbon Steel and Stainless Steel ball valves
- Compact design

Pos.	Part Name	Materials 1	Materials 2	N°P
1	End Connection	ASTM A 105	A182-F316	2
2	Jacket	Carbon Steel	Stainless Steel	1
